

Glacier G Plan 3 Bedroom

1255 sq ft

With three levels of spacious living, our Glacier Series home gives families room to breathe. On the upper floor, there are two bedrooms and two full bathrooms, plus a laundry closet. Downstairs, the main floor is the heart of the home, flowing from the kitchen to the private balcony, with plenty of space for living and dining. And on the lower floor, there is another bedroom and bathroom, making this space perfect for guests. The garage has side-by-side parking for two cars.
