

# Faber F1 Plan Junior 3 Bedroom

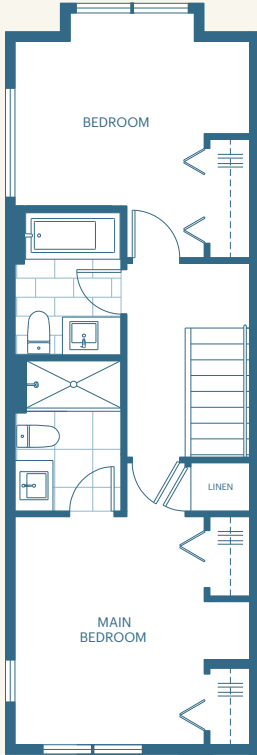

1267 sq ft

LOWER

MAIN

UPPER

Using every inch so families have more of what they need, this home has two spacious bedrooms with closets on the upper floor along with two full bathrooms – one with a shower, the other with a tub. On the main floor, the 10-ft ceilings and oversized windows create a bright and spacious open plan providing plenty of space for life to unfold. The kitchen was designed for cooking up a storm and the private balcony connects you to the outside. On the lower floor, you'll find the third bedroom with direct access to a powder room and a closet with plenty of storage.
