

# Acadia A1 Plan 3 Bedroom + Den

1537 sq ft

Made for families, this home has an open plan to gather and connect, while also offering spaces with separation to ensure everyone has enough room. On the upper floor, the main bedroom has a large walk-in closet and ensuite. You'll also find two more bedrooms, and a bathroom for the kids down the hall. The main level of living was made for entertaining, with a spacious living room at one end and the kitchen and dining at the other, along with a private balcony. Downstairs, you've got a large den, storage space to keep everyone's shoes and coats organized, and a two-car, side-by-side garage.
