

# Atwell A 3 Bed 2½ Bath

1,604 sq ft

This home has three bedrooms and two bathrooms upstairs, plus a powder room on the lower floor, along with a large entry, and a flex space, the perfect place to clean off from your outdoor adventures and store your gear. The main floor flows from the kitchen to the patio, with lots of room for entertaining in the dining and living room. Upstairs, two bedrooms are separated by a bathroom and laundry, while the main bedroom on the upper floor has a spa-like bathroom, plus a walk-through closet.
